

INTERPRETING FOR SCHOOLS AND FAMILIES: IEP SETTINGS

Special Education IEP Interpretation Workshop

This five-hour session is designed for school site and district multilingual staff who provide interpretation in special education settings. Participants will build or strengthen the skills needed to interpret effectively during Individualized Education Program (IEP) meetings.

Topics include:

- Interpretation protocols and best practices
- Core interpretation skills
- Ethical considerations
- Special education vocabulary and terminology
- Tips for remote interpretation (video and phone)
